To our Members

As more of our members and staff are able to make from the south side of the bayou we are able to offer a few more classes. Looking forward we hope to be able to offer more. There are many of our staff members that are still displaced. Please be patient, there could be changes of instructors as we go through the week. We want you all to have a place to go and burn off some of your frustrations, calm some of your nerves and just to give you a hug.

GOD BLESS YOU ALL!!!
